

STAR ELITE DEFENSE LLC TACTICAL WORKSHOP

PISTOL AND CARBINE

MARCH 26, 2022

QUALIFICATION:

Not a beginner class. Must have knowledgeable skill of handling a handgun and carbine rifle. This class is intended for Intermediate and Advanced shooters with good handgun/rifle operational skills and safety awareness.

LOCATION AND TIME:

STAR H RANCH private range for SED LLC. 1387 CR 3640 COPPERAS COVE, TEXAS 76522. Approx. 2 miles from Topsey, Texas. 20 minutes NW of the Cove and 20 minutes NE of Lampasas. Arrive at 8 am for ranch map of training locations, safety brief, paperwork, and squad assignment. Hammer down at 9 am.

HOW:

EACH instructor will be set on a safe location within the Ranch and depending on attendance, will instruct one to multiple skill set of their choice for 90 minutes before rotation is called. This will put us at approx. 7.5 hours of training and then we will hold a short competition practicing skills emphasized during training at the end of the day. Anticipate an 8-10 hour day.

WHO:

SED will be hosting 4 outside instructors with excellent teaching skills, multiple years of training, military service, civilian competition and everyday practiced application. All BIO'S are on doubleclickholsters.com website under "classes"

Heather Eckert – E4 DEFENSE LLC – N Texas Dallas area – DPS level 3 -Instructs law enforcement and civilians

Nick Ratliff – Green Beret Special Forces combat medic. - NORTAC LLC – N Texas Ft. Worth area- Medic and firearms instructor

Josh Greenough – Combat Military Experienced – Owner APOSTLES FIREARM Academy LLC – Austin DPS LTC and civilian instructor

Austin Black – World champion competition shooter-Owner APOSTLES FIREARM ACADEMY LLC – Austin – DPS LTC and civilian instructor

Bob Haygood – Certified Tactical instructor under Sr. Trainer of Houston PD - DPS LTC and civilian instructor-STAR ELITE DEFENSE LLC – Central Texas area

WHAT:

We will cover specific skills and different at each location with little duplication. Each instructor will give you a desired skill set to put in your tool box for future application and drill time.

EXAMPLE: Scheduled but not limited to.....

Heather – Accuracy and Speed/Target transitions

Nick – Different positions with pistol/strong hand- support hand shooting/ self-medical aid

Josh – Quick/Accurate first shot draw fundamentals

Austin – Carbine/Pistol manipulations.

Bob – Shooting on the move/Sight picture and no sight picture shooting/Multiple draw positions

EQUIPMENT: Eye and Ear protection, pistol, belt, strong side holster, (NO SERPA TYPE HOLSTERS ALLOWED) 2 mag pouches with mags, rifle and one mag pouch, 300 rds. Of pistol ammo min/500 if possible, 100 rds. of rifle ammo, food of choice (we will not stop for lunch—lunch on the go) proper hydration, hat, knee pads, chair.

TUITION: \$350 PER PERSON---You can register and pay by going to doubleclickholsters.com and click on “classes”. Look for Tactical Workshop. Sign up, pay in full, or pay ½ to reserve you spot. You may pay the balance the day of the event with check, cash, or venmo.

SPONSOR: DOUBLECLICK HOLSTERS will sponsor the end of the day competition by providing 2 \$100 gift certs to the top 2 shooters.

We want to offer another skill for your tool box in this workshop. We urge you to join us March 26th for a fun day of training from multiple backgrounds and over 50 years of combined training to pass on. My experience in continuous training, attending multiple types of schools with multiple trainers, there is always something to take away from the event. This will be one of those days for all skill levels.

Thank you, Bob Haygood
